

## Brandon Riding Academy Show

23 May, Church Farm, Brandon, Suffolk

Brandon Riding Academy is a small show venue and it's appeal is in the friendly and informal atmosphere. The perfect place for new and young riders to gain experience and get useful advice from other riders and the judge. Although not affiliated to WES or the WHA the Brandon shows are run in accordance with their rules. A mix of fun events, including the flag race, pole bending, barrel racing and the keyhole race, are held alongside the more formal show classes such as reining, horsemanship, pleasure and trail. This mix of competition provides an enjoyable and educational day for riders and spectators alike. This year's May show kicked off on the hottest day of the year to date and, with the sun shining and dust flying, a great deal of fun was had by all.

Congratulations to class winners Steve Brain, Neil Bruce, CB Watson, Carla Harris, Alison Harris, Zoe Demeza and Liam Williams.

Brandon holds western events every month during the summer. Visit [www.brandonridingacademy.com](http://www.brandonridingacademy.com) or call 01942 810089. Words and pics by Colin Allison, [www.colin-allison.com](http://www.colin-allison.com)
